FOR IMMEDIATE RELEASE

PDA ANNOUNCES THE ELECTION OF 2009-2010 BOARD MEMBERS

Kansas City, MO: March 11, 2009 — Polyurea Development Association has announced and would like to congratulate the 2009-2010 Board of Directors to serve during the Association's 10th anniversary year.

Elected President for the 2009-2010 term is Don Dancey, Innovative Painting & Waterproofing in Brea, CA. Dancey's primary focus during his term as president will be developing and growing stronger relationships between PDA members by increasing networking and communication. Dancey also plans to strengthen PDA's industry education efforts by continuing to disseminate current trends and new information to the industry.

Serving with Dancey are President-Elect, John Turnour, Rebus, Inc, Aston, PA, Secretary/Treasurer, Christiane Hackl, BASF Corporation, Florham Park, NJ and Immediate Past President, Lee Hanson, The Hanson Group, Duluth, GA. These officers make up the Executive Committee that will lead this year's PDA Board of Directors.

The National Directors elected are Alan Brown, Polycoat Products, Santa Fe Springs, CA; Kyle Flanagan, The Flanagan Corporation, Newport Coast, CA; Lou Frank, Lou Frank Consulting, Inc., San Diego, CA; John Tate, Graco, Inc., Minneapolis, MN.

The International Directors elected are Bernd Dietz, REMA TIP TOP GmbH, Poing, Germany. Tony LaGrange, Quantum Technical Services, Ltd., Edmonton, Canada; Weibo Huang, Qingdao Technological University, Qingdao, PR China.

The Alliance Director elected is Lee Bower, PolyVers International, Houston TX.

Returning Board Members are Jay Johnston, Bayer MaterialScience, Pittsburgh, PA; Kelin Bower, PolyVers International, Houston, TX; Dan Canavan III, D.B. Becker Co., Inc., Clinton, NJ; Dudley Primeaux, Primeaux Associates, LLC, Elgin, TX; Jackie Johnson, 3M/Bondo Corp, Atlanta, GA.
